

Radiant Reveal Hydra Exfoliator

Description

This extra fine, micro exfoliator effectively boosts radiance and reveals fresh glowing skin by removing buildup of damaged and dead skin cells. The subtle granular texture allows for personal preference, stronger pressure provides a deeper scrub and lighter pressure offers a gentle, lighter exfoliation. Crème like texture is fortified with moisturizing aloe for a nourishing skin polish.

Benefits

- ERT technology: makes handpicked ingredients more absorbable and effective.
- Accelerates skin's own rejuvenation process allowing healthy, new cells to come to the surface at a faster rate.
- Smooths the look of fine lines, addresses discoloration, and enlarged pores
- Rosemary Leaf Extract and Jojoba oil for deep and nourishing hydration

Size

- 1 fl oz

How to use

Generously apply crème to moist skin. Massage for at least two minutes with circular motion to exfoliate face and décolleté twice a week. Avoid eye area and rinse well before evening application of HydraSurge Duo.
