Families Thriving in the Wireless Age

**GIA's Inspired Wellness Home (IWH) Program** brings a dynamic, 360-degree wellness approach into people's homes, allowing them to thrive in the wireless age today, tomorrow, and for generations to come.

The groundbreaking IWH Program offers three custom-tailored, highly discounted (up to \$373) product packages (Bronze, Silver, and Gold) which contain essential wellness solutions from the categories of Radiation Protection/Energy, Hydration and Nourishment. The Program also offers exciting rewards for the person outfitting their home with an IWH Package, as well as for referring friends to the Program.

Mobile phones ARE linked to cancer, study claims. Long-term use is associated with Alzheimers', Parkinson's, headaches and skin irritation.

### EMR Scrambles Your Brain...

#### SWISS STUDY CONFIRMS:

2 minutes on a Cell Phone disrupts brainwave pattern for up to 2 hours afterwards.

### REAL HEALTH ISSUES...

- ◆35% of people in developed countries are already hyper-sensitive to Electromagnetic Radiation (EMR).
- ◆Billions of people experience health problems ranging from fatigue, headaches, etc. to severe immune disorders and even tumors.

"Between my wife, kids, and I, our home is filled with wireless gadgets. We didn't know that we could be sensitive to electromagnetic fields, but since we installed GIA Harmonizers throughout our home, we've all felt a sense of relief, more energy, and much better sleep."
